JOHN DEERE

3032E Tractors w / D160Loader

Unit Number	Year	Hours	Sale Price
C0000185	2015	429	\$17,998
C0000189	2015	506	\$16,149

We clean, inspect and service our equipment before EVERY rental. From a maintenance standpoint, our rental units receive more attention than privately owned equipment. Buy with Confidence!
Prices, hours and availability subject to change without notice. Listing updated January 2, 2018

Features

- Ideal for home owners, estate owners, horse enthusiasts, ranchers and hobby farmers.
- Meets EPA tier 4 final emissions standards.
- Hydrostatic transmission provides infinite speed or shifting selection without clutching for direction changes.
- Speed and direction are easily controlled by Twin-Touch, two pedal foot controls.
- Standard rear PTO and Category I, 3-point hitch.
- Load-ready with dual mid-selective control valve and integrated loader joystick.
- Comfort features include: large flat deck area; power steering with tilt column; comfortable mid-back seat; operator presence safety system; wet disk brakes; one-piece sloped hood for improved visibility and serviceability; standard loader joystick stays close at hand and clear of you knee; EZ Fold ROPS ensures the tractor fits easily in any shed.
