### Features

- The Model 3033 R is one of John Deere's premium series compact utility tractors. Building, mowing, tilling, digging...It's all in a day's work. Ideal for home owners, estate owners, horse enthusiasts, ranchers and hobby farmers.
- The powerful Yanmar diesel engine meets EPA Tier-4 Final standards resulting in lower emissions and reduced noise levels.
- Hydrostatic transmission provides infinite speed or shifting selection without clutching for direction changes.
- Speed and direction are easily controlled by Twin-Touch, two pedal foot controls.
- Standard rear PTO and Category I, 3-point hitch.
- Foot operated differential lock helps get through tight spots.
- Load-ready with dual mid-selective control valve and integrated loader joystick.
- Comfort features include: large flat deck area; power steering with tilt column; comfortable mid-back seat; wet disk brakes; one-piece sloped hood for improved visibility and much more!
