

Customer Instructions Tree sprayer

Warning

Tree Sprayers must be returned empty and rinsed with water, or customer will pay an additional cleaning fee. This policy is for the following reasons -

1. We are not qualified to dispose of pesticides or other chemical "hazardous wastes" as required by the E.P.A. (Environmental Protection Agency)
2. We do not have the facilities to dispose of these materials.
3. It would be very expensive to have this hazardous waste handled by others, which would in turn raise the cost of rentals.
